

## **SAN JUAN CITY HOSTS ANNUAL 'KASALANG PANLUNGSOD'**

The City Government of San Juan, led by Mayor Francis Zamora, once again held its annual Kasalang Panlungsod on February 14, 2025 at the San Juan Gymnasium.

Joining the celebration of love were San Juan's First Lady Mrs. Keri Zamora, Congresswoman Bel Zamora, Vice Mayor Angelo Agcaoili, City Councilors and representatives from the Philippine Statistics Authority (PSA), along with other San Juan City officials.

A total of fifty-nine (59) couples exchanged vows, including three elderly couples who are nearing their golden years. Mayor Zamora will personally officiate the ceremony, making this milestone even more meaningful for the brides and grooms.

"San Juan City's annual Kasalang Panlungsod is our way of supporting every San Juaneño couple in their journey of love and commitment. We are excited to witness these 59 pairs begin their lives together as married couples," said Mayor Zamora.

Held every February 14, the annual mass wedding is part of Makabagong San Juan's commitment to strengthening family values, unity, and love—the foundation of a strong community.

Each couple also received a wedding cake, a bouquet for the bride, a sumptuous wedding reception and P5,000 to celebrate their union with their six witnesses.
